J.B. Hunt Culture

Interns are a big part of JB Hunt's culture. Here, interns will gain real-world experience within the transportation and logistics industry, while helping to bring new ideas and innovation.

We are passionate about being ahead and leading change, not responding to it or just trying to keep up.

Intern Info

Interns will receive firsthand knowledge of working with a Fortune 500 Company while still having the luxury of being on campus.

Hunt on the Hill – Easily accessible for all students, shuttles that transport every 30min

Guest Lectures and workshops are held featuring JB Hunt Leadership and U of A professors.

"Learn new skills, share your knowledge, and always strive to be better."

Intern Positions

Internships are paid, part-time positions with flexible hours to accommodate students' schedules.

Opportunities available in Intermodal, E&T, ICS & CE groups.

Some of the day-to-day responsibilities include setting delivery appointments, developing innovative and disruptive technologies, interacting with customers, and administrative tasks that support the needs of our clients.
