

UIDP Publications by Audience

University Industry
Demonstration Partnership

Most UIDP content, like the publications listed below, is developed for exclusive use by UIDP member representatives. Anyone from a UIDP member organization can download the publications listed and access all other UIDP resources online at uidp.org/members. You must be registered to the site to access this password-protected

area (see the back page for how to register). Member reps can order print copies of UIDP publications by emailing info@uidp.net.

We do make some UIDP resources available to the broader U-I community as a way to support the continued pursuit of effective, productive relationships at the U-I interface.

Membership in the UIDP makes my job easier by providing me access to resources that help me solve difficult problems at my desk, day in and day out.

About THE UIDP

At the UIDP, we have different perspectives and one focus: improving university-industry (U-I) partnerships. The UIDP is a unique project-oriented forum where representatives from academia and industry seek opportunities to develop new approaches to working together. Our membership comprises some of the finest innovation companies and best research universities in the world: organizations committed to active participation in pursuit of excellence in U-I collaboration and partnership. At the UIDP, we don't just talk about problems, we solve them.
