<b>Wednesday, Jan. 24, 2018</b>	
8:00 AM – 4:00 PM	<b>Workshop/Project Summit Check-In and Registration</b>
9:00 AM – 12:30 PM	<p><b>UIDP Academy Workshop</b> (Additional fee/registration required)</p> <p><b>Graduate Industry Internships in Industry</b> Room 203</p> <p>While there are many benefits for students, faculty, and companies, industry internships at the graduate level are often arranged in an ad-hoc fashion and demand often outstrips supply. This workshop will examine the types of graduate level internships, explore the challenges faced in setting up a successful graduate internship program, and present strategies for their effective implementation.</p>
12:30 – 1:30 PM	<b>BREAK</b>
1:30 – 1:45 PM	<p><b>Welcome Remarks</b> <i>Lynn Chronister, University of South Alabama</i> <i>Tony Boccanfuso, UIDP</i> Terrace Room</p>
1:45 – 2:30 PM	<p><b>UIDP Project Overview</b> <i>Liz Kennell, UIDP</i> Terrace Room</p> <p>All UIDP projects and many panels, workshops, and presentations originate with our members. Whether you are new to UIDP or just new to UIDP projects, this session will explain the UIDP project process and explore UIDP’s resources to maximize your membership.</p>
2:30 – 4:00 PM	<p><b>Pre-Competitive IP Approaches (Phase 0)</b> <i>Erik Sander, University of Florida</i> <i>Tom Wells, Harris</i> Terrace Room</p> <p>An organizing session was held on allocation of IP from pre-competitive projects in Baton Rouge. The working group will examine different IP terms used for pre-competitive research and the conditions for considering one approach over another.</p>
4:00 – 4:15 PM	<b>BREAK</b>
4:15 – 5:45 PM	<b>Concurrent Sessions #1</b>

	<p>Project working groups will meet to advance project goals. Find project descriptions at <a href="http://uidp.org/projects">uidp.org/projects</a>.</p> <hr/> <p><b>Strategic Partnerships Track: Maximizing the Outcomes from University-Industry Visits (Phase I)</b>  <i>Werner Kaufmann, BASF</i>  Room 203</p> <p>There is significant variance in how universities and industries plan strategic visits to one another. In this concept session, participants will consider:</p> <ul style="list-style-type: none"> <li>• Due diligence and the rationale for visits;</li> <li>• The planning process;</li> <li>• The actual visit;</li> <li>• And post-event follow-up actions.</li> </ul> <hr/> <p><b>Workforce Development Track: Scholarship Programs (Phase I)</b>  <i>Ellen Kosik-Williams, Corning</i>  Room 205</p> <p>While several articles exist detailing industry’s intent in providing scholarship programs, best practices for establishing scholarship programs from both university and industry perspectives do not exist. This session will continue the discussion from UIDP25, seeking to:</p> <ul style="list-style-type: none"> <li>• Define scholarship programs;</li> <li>• Determine a rationale for why universities and industries would participate in scholarship programs;</li> <li>• And explore mechanisms for establishing these programs.</li> </ul>
5:45 – 6:15 PM	<p><b>Project Report Outs</b>  <i>Liz Kennell, UIDP</i>  Terrace Room</p>
